Are you in the black? Now's the perfect time to invest! You'll find all the information you need on www.desjardins.com/generation18-24. See **Savings and investment** under **Products and services** and make your money grow.

Learning how to draw up a budget can prove very useful. For example, financial institutions often ask to see a budget plan before granting you a loan. To find out more about **managing your personal finances** and **making a budget**, see **Making a budget** in the **Tips** section at www.desjardins.com/generation18-24.

If you need additional help setting up a budget, contact the Association coopérative d'économie familiale (ACEF) or the Service budgétaire et communautaire in your area. Desjardins has established partnerships with some of these organizations, the **Desjardins Mutual Aid Funds**, and they would be pleased to provide tips on balancing your budget.

Online tools are made available to you for information purposes and for personal use only. They give an approximate result based on the information you enter. Desjardins does not guarantee their accuracy on their applicability to your circumstances. Do not hesitate to contact your caisse advisor for personal advice.
