Caisse populaire Desjardins de Stanstead Newsletter — Vol. 1, No. 4 – August 2007

## New Location to Better Serve You

The main event of the fall season will undoubtedly be the Caisse Head Office moving to its new location at 12 Fairfax, close to the IGA. The move is the culmination of months of planning, and will double the surface area of your Caisse. The staff will now be able to offer you added comfort when you visit, while the new layout provides you even

greater privacy when transacting your business or meeting with an advisor.

The new location of your Caisse's Head Office will also feature a fantastic innovation: an ATM that distributes U.S. dollars! This will certainly be of interest to people traveling to the United States, providing a quick and simple way to get

American currency outside of business hours.

As usual, we will keep you informed of further developments and our exact moving date, which is expected to be in mid-October.

Jean Desruisseaux  
President

## Honouring Our Officers

There are a number of members who represent you on the Caisse populaire Desjardins de Stanstead Board of Directors and on the Board of Supervision. Some of these members have been volunteering their time for many years.

Roland Béasse, Robert Gaucher, Nathalie Ferland, Jean Desruisseaux, André Gaulin. Bernard Blachère was not present when the photo was taken.

On June 8, the Caisse chose to highlight the longstanding commitment of several of our officers at a gala evening at the Dufferin Heights Country Club. Honoured officers from the Board of Directors were: André Gaulin, for his 30 years of service; Jean Desruisseaux, for his 25 years of service, including 10 as Board President; Robert Gaucher, for his 20 years of service; and Nathalie Ferland, for her 10 years of

service. Impressive? There's more! The Board of Supervision also celebrated Roland Béasse's 20 years and Robert Blachère's 10 years of service to the Caisse. We would like to thank each of them for their valuable contribution to the growth of the Caisse.

## New Independent Living Residence

It is very important to ensure the safety and comfort of our senior citizens. That is why Caisse populaire Desjardins de Stanstead agreed to donate \$50,000 to the Stanstead Housing Committee for the construction of an independent living residence for seniors. Mario Scallon, Caisse General Manager, hands over a first instalment of \$5,000 to Renald Demers, Committee Chair.

## Tools for Students

Completing post-secondary education is hard work. But it's worth it, because graduates have a better chance of succeeding in their chosen field. That is why Desjardins wants to support students on their path to independence.

Your Caisse can help students feel more at home in the world of finance by offering them savings and credit tools designed especially for them. For example, the Youth Profit Account offers a \$4 monthly discount on student account user fees. So, whether you are looking for a line of credit, a Visa card or a savings program, contact your Caisse populaire Desjardins de Stanstead for more information on the services available to students.

We would like to wish all our students the best of luck for the back-to-school season – with a special tribute to Yanick Proteau, Michelle Roy and Amélie Lagueux (centre).
