Its mission also includes fostering cooperation and promoting economic, social and cooperative education. It is governed by the *Act Respecting Financial Services Cooperatives* (the Act).

The caisse is registered with the Autorité des marchés financiers. It is also a member of the Fonds de sécurité Desjardins, whose main purpose is to establish and manage a security, liquidity or mutual assistance fund for caisses members of the Fund.

Deposits and borrowings with the Federation are presented on a net basis, although there is no contractual right to settle on a net amount. Except for the presentation of deposits and borrowings with the Federation, the caisse applies accounting methods consistent with those used for the preparation of the combined financial statements of the Desjardins Group, in accordance with the International Financial Reporting Standards issued by the International Accounting Standards Board.

Some figures from the prior year were reclassified for consistency with the presentation of the current year's financial statements. This reclassification did not affect the caisse's surplus earnings or total assets and liabilities.
