For all fee options except Fee Option F, Desjardins Financial Security pays your advisor and the distributor they do business with a trailing commission for as long as you own Units of the fund. It is for the services and advice they provide to you. The trailing commission is paid out of the management fees applicable to Series 6 and 8. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- No Load (Fee Option A) – 0.25% of the market value of the Units attributed to this fee option each year.
- Low Load Sales Charge (Fee Option B) – 0.00% of the market value of the Units attributed to this fee option each year for the first 3 calendar years and 0.25% of the market value of the Units attributed to this fee option thereafter.
- Deferred Sales Charge (Fee Option C) – 0.00% of the market value of the Units attributed to this fee option each year.
- No Load – Advisor Chargeback (Fee Option D) – 0.00% of the market value of the Units attributed to this fee option annually for years 2 to 4 and 0.25% for years 5 and following.
- No Load – Advisor Chargeback (Fee Option E) – 0.00% of the market value of the Units attributed to this fee option annually for years 2 to 7 and 0.25% for years 8 and following.

For Fee Option F (Advisory Service Fee), you determine with your advisor the fees you will pay your advisor and the distributor they do business with for their services and advice.

- No Load (Fee Option A) – 1.00% of the market value of the Units attributed to this fee option each year.
- Low Load Sales Charge (Fee Option B) – 0.50% of the market value of the Units attributed to this fee option each year for the first 3 calendar years and 1.00% of the market value of the Units attributed to this fee option thereafter.

Ongoing fund fees

The additional guarantee fees apply if you have chosen Helios2 – 75/100 i or Helios2 – 100/100 i and are paid out of the contract each month. They affect you because they reduce the return you get on your deposit. For more details about how the guarantees work, see the guarantees section in the Contract and Information Folder.
