MILLENNIA III PLAN – NEW ERA – SERIES 3

Financial information as of **December 31, 2023** (unless otherwise indicated)

The following pages include the description of each fund offered under the Millennia III – New Era contract, for contract owners who chose series 3. The individual Fund Facts give you an idea of what each fund invests in, how it has performed and what fees or charges may apply.

We show performance data for our funds, which include tables, charts and graphs. The tables show selected key financial information about each fund and are intended to help you understand each fund's financial performance since inception.

**The individual Fund Facts are not complete without the following "What if I change my mind" and "For more information" sections below.**

## What if I change my mind?

You can change your mind and cancel any additional deposit you make under the contract within the earlier of two business days of the date you received confirmation or five business days after it is sent to you. In this case, the right to cancel only applies to the new deposit.

You have to tell your insurer in writing, by email, fax, or letter, that you want to cancel this new deposit. The amount returned will be the lesser of your deposit or its value, if it has gone down. The amount returned only applies to the specific deposit and will include a refund of any sales charges or other fees you paid.

## For more information

## Ongoing Fund Fees

The MER includes the management fees, operating expenses and taxes of the fund as well as the insurance cost under your contract. You don't pay these expenses directly. They affect you because they reduce the return you get on your deposit. For more details about how the guarantees work, see the guarantees sections in your contract and information folder.

## Trailing Commission

Desjardins Financial Security pays your advisor and the distributor they do business with a trailing commission for as long as you own Units of the fund. It is for the services and advice they provide to you. The trailing commission is paid out of the management fees. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- Negotiable Fee Option (Fee Option A) – 0.50% of the market value of the Units attributed to this fee option each year.
- Low Load, 3 years (Fee Option B) – 0.20% of the market value of the Units attributed to this fee option each year for the first 3 calendar years and 0.50% of the market value of the Units attributed to this fee option thereafter.
- Back End Load, 5 years (Fee Option C) – 0.20% of the market value of the Units attributed to this fee option each year.

## Other Fees

There are no other fees that apply to the Millennia III Plan – New Era.

## Ongoing Fund Fees

The MER includes the management fees, operating expenses and taxes of the fund as well as the insurance cost under your contract. You don't pay these expenses directly. They affect you because they reduce the return you get on your deposit. For more details about how the guarantees work, see the guarantees sections in your contract and information folder.

## Trailing Commission

Desjardins Financial Security pays your advisor and the distributor they do business with a trailing commission for as long as you own Units of the fund. It is for the services and advice they provide to you. The trailing commission is paid out of the management fees. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- Negotiable Fee Option (Fee Option A) – 1.25% of the market value of the Units attributed to this fee option each year.
- Low Load, 3 years (Fee Option B) – 0.50% of the market value of the Units attributed to this fee option each year for the first 3 calendar years and 1.25% of the market value of the Units attributed to this fee option thereafter.
- Back End Load, 5 years (Fee Option C) – 0.50% of the market value of the Units attributed to this fee option each year.

## Ongoing Fund Fees

The MER includes the management fees, operating expenses and taxes of the fund as well as the insurance cost under your contract. You don't pay these expenses directly. They affect you because they reduce the return you get on your deposit. For more details about how the guarantees work, see the guarantees sections in your contract and information folder.

## Trailing Commission

Desjardins Financial Security pays your advisor and the distributor they do business with a trailing commission for as long as you own Units of the fund. It is for the services and advice they provide to you. The trailing commission is paid out of the management fees. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- Negotiable Fee Option (Fee Option A) – 1.25% of the market value of the Units attributed to this fee option each year.
- Low Load, 3 years (Fee Option B) – 0.50% of the market value of the Units attributed to this fee option each year for the first 3 calendar years and 1.25% of the market value of the Units attributed to this fee option thereafter.
- Back End Load, 5 years (Fee Option C) – 0.50% of the market value of the Units attributed to this fee option each year.

## Other Fees

There are no other fees that apply to the Millennia III Plan – New Era.

## Trailing Commission

Desjardins Financial Security pays your advisor and the distributor they do business with a trailing commission for as long as you own Units of the fund. It is for the services and advice they provide to you. The trailing commission is paid out of the management fees. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- Negotiable Fee Option (Fee Option A) – 1.25% of the market value of the Units attributed to this fee option each year.
- Low Load, 3 years (Fee Option B) – 0.50% of the market value of the Units attributed to this fee option each year for the first 3 calendar years and 1.25% of the market value of the Units attributed to this fee option thereafter.
- Back End Load, 5 years (Fee Option C) – 0.50% of the market value of the Units attributed to this fee option each year.

## Ongoing Fund Fees

The MER includes the management fees, operating expenses and taxes of the fund as well as the insurance cost under your contract. You don't pay these expenses directly. They affect you because they reduce the return you get on your deposit. For more details about how the guarantees work, see the guarantees sections in your contract and information folder.

## Trailing Commission

Desjardins Financial Security pays your advisor and the distributor they do business with a trailing commission for as long as you own Units of the fund. It is for the services and advice they provide to you. The trailing commission is paid out of the management fees. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- Negotiable Fee Option (Fee Option A) – 1.00% of the market value of the Units attributed to this fee option each year.
- Low Load, 3 years (Fee Option B) – 0.50% of the market value of the Units attributed to this fee option each year for the first 3 calendar years and 1.00% of the market value of the Units attributed to this fee option thereafter.
- Back End Load, 5 years (Fee Option C) – 0.50% of the market value of the Units attributed to this fee option each year.

## Other Fees

There are no other fees that apply to the Millennium III Plan – New Era.

## What if I change my mind?

You can change your mind about your deposit but you may have as little as two days to do so. Please see the [cover](#) of this document for details. This page also contains details on how to get more information. This Fund Facts is not complete without that page.
