## **2015 share issue of Capital régional et coopératif Desjardins: sale postponed by a few weeks**

**Montréal, February 27, 2015** – Mindful of its shareholders’ concerns, Capital régional et coopératif Desjardins (CRCD) is currently reviewing its share distribution processes, appointment planning in particular. In order to allow completion of the required information systems development, the 2015 issue date has been postponed by a few weeks.

### **More shares available for sale, accessible to more investors**

CRCD was exceptionally authorized under the June 4, 2014 Provincial Budget to issue shares totalling \$150 million for the 2015 issue. To permit the greatest number of investors possible to buy shares, CRCD is continuing to cap purchases at \$3,000 per person.

The new dates and procedures will be announced at the end of March 2015 in a press release and will also be published on CRCD’s website at [www.capitalregional.com](http://www.capitalregional.com).
