Introduction

What's the purpose of this guide?

This guide describes the travel insurance included with your *credit card* so you can decide for yourself whether it meets your needs, considering that you are not in the presence of an insurance representative.

Product description

Nature of coverage

What is the purpose of the travel insurance included with your *credit card*?

This insurance provides financial protection against **sudden and unforeseen** events that could occur while travelling.

Your contract therefore includes certain exclusions relating to some activities or illnesses among other things. For example, you may not be covered while practicing dangerous sports or for health problems or symptoms that you had before leaving on your trip.

We recommend that you read the exclusions and limitations section of this guide so you understand your coverage (see pages 25 to 34). 

When are you covered under this insurance?

This insurance covers you for trips outside your *province of residence* of a duration equal to or less than the number of days of insurance included indicated in the Table of Coverage.

Please note that the **Common Carrier Accident** and **Trip Cancellation** coverages also cover you for trips inside your *province of residence*.

How are the insurance amounts and maximums applied?

All the amounts apply per *insured*, per trip, unless otherwise indicated.

What is the effective date of the contract?

The Desjardins Odyssey Gold, Travel Gold and Odyssey World Elite travel insurance contract takes effect on May 15, 2016 and replaces all other Desjardins Odyssey Gold and Travel Gold travel insurance contracts. The terms and conditions described in this guide apply to any coverage that begins as of May 15, 2016.

Who is covered under this insurance (eligibility)?

To be covered under the travel insurance included with your *credit card*:

- a) you must be a *Canadian resident* and at least 15 days old;
- b) you must, on the departure date, be younger than or the maximum age indicated in the Table of Coverage;
- c) you must have activated your *credit card* prior to departure;
- d) your privileges as a *cardholder* must not have been suspended;
- e) your *credit card* account must not be in arrears for more than 90 days;
- f) your trip must begin and end in Canada, in your *province of residence*;
- g) the destination of your trip must be outside your *province of residence*, except for the **Trip Cancellation and Common Carrier Accident** coverages.

This travel insurance also covers your *spouse* and your *dependent children* if they accompany you throughout their trip.

For the **Emergency Health Care** coverage, you, your *spouse* and your *dependent children* must be insured under the hospitalization insurance plan in your *province of residence* for the entire duration

of the trip. You are responsible for ensuring that you have this government insurance.

For a child that is born on the trip to be covered

A child born during a trip is automatically insured under the **Emergency Health Care** coverage if the mother is insured under this coverage and expenses for delivery are not excluded (see the exclusions for this coverage).

Description of the coverages

1. Emergency Health Care coverage

Important note!

Emergency Health Care only covers you for trips whose duration is equal to or less than the number of days indicated in the Table of Coverage. If the duration of your trip exceeds the number of days indicated, you **must** ask us to extend your coverage. Otherwise, you will **not be covered** under the **Emergency Health Care coverage for your trip**. Your extended coverage must cover the entire duration of your trip, but you will pay only for the days of coverage not included under this insurance. The departure and return date count as full days when calculating the duration of the trip.

- We cover the **expenses outlined on pages 9 to 13, if incurred outside your province of residence**, in the event that:
 - you suddenly and unexpectedly become ill or have an *accident* on your trip; **and**
 - you require emergency medical care or services.
- These expenses are covered:
 - up to the maximums indicated below, which, unless otherwise indicated, apply per *insured*, per trip;

- up to an overall maximum of \$5,000,000 per *insured*, per trip;
 - up to the reasonable and customary amounts usually billed for such care or services in the region where they are received.
- **You must call the Assistance Service BEFORE going to a *hospital* or *clinic*** and follow their instructions. Otherwise, you will be required to pay 30% of the eligible expenses, up to a maximum of \$3,000.
- If you are unable to call yourself (for example: you are unconscious), another person must call on your behalf within 24 hours following the *accident* or *illness*. If you are travelling alone, we recommend that you carry with you a copy of the telephone numbers to call in case of emergency.
- We are not responsible for the availability or quality of the care and services received.
- This insurance also covers your *spouse* and your *dependent children* if they accompany you throughout their trip.

 - You have to cancel or modify your trip for one of the 18 causes below (pages 14 to 17);
 - You were reasonably unaware that this cause would occur at the time the expenses were incurred or when you requested an increase in the insurance amount for this coverage;
 - This cause is serious enough to justify cancelling or modifying your trip; **and**
 - The fees must have been paid using the *credit card*.
- This insurance also covers your *spouse* and your *dependent children* if they accompany you throughout their trip.

Recognized causes of trip cancellation or modification

Cause 1 – One of the following people becomes ill, has an *accident* or dies:

- you
- one of your *family members*
- a *travelling companion*
- a *family member* of a *travelling companion*
- the person responsible for the care of your *dependent children*
- your business partner or key employee
- the person for whom you are the legal guardian
- the person who is hosting you in their home during part or all your trip

We reserve the right to have the injured or sick person examined by a *physician* of our choosing.

Cause 2 – Your *travelling companion* has to cancel or interrupt their trip due to one of the recognized causes described in this section.

Cause 3 – You find out that you (or your spouse) are pregnant and your scheduled return date is **after the first 32 weeks of pregnancy**.

Cause 4 – A person for whom you are the estate executor dies.

Cause 5 – You are summoned for jury duty or to appear as a **witness**.

Cause 6 – You receive notice of custody of a child.

Cause 7 – A business meeting is cancelled because the person you are supposed to meet becomes ill, has an *accident* or dies.

The meeting must have been arranged in advance and be the only reason for your trip.

Cause 8 – You are required to move for work purposes in the 30 days prior to your departure or during the time scheduled for your trip. This transfer is required by the employer for whom you were working at the time you purchased your trip.

Cause 9 – The company where you have been working for at least one year shuts down due to a **lock-out** or declares **bankruptcy**.

Cause 10 – You involuntarily lose your permanent employment that you have had with the same employer for more than one year. Permanent employment is a non-seasonal employment under a contract of unlimited duration for which you are paid at least 20 hours per week.

Cause 11 – A **disaster** causes significant damage to your **main residence** in your *province of residence* or to your **business**.

OR

The *common carrier* or a **vehicle** is **delayed** due to a **traffic accident** or **emergency road closure** by police (we will require a police report).

This delay must result in you missing the departure of a *common carrier vehicle* used during your trip and force you to change your travel arrangements. In all cases, you must have planned to be at the point of departure at least **3 hours** before the scheduled departure time.

Cause 14 – A *travel service supplier* **defaults**.

- The default must result in you definitively losing at least some of the money you paid for your trip.

Cause 17 – The *plane* you are travelling on is **hijacked**.

Cause 18 – Due to a crisis or emergency situation, you are called on to serve as a **police officer, firefighter or member of the military** in active duty or as a reservist, or to provide **essential health care services**.

Expenses reimbursed

For any trip:

- reimbursement of your *living expenses* is limited to **\$200 per day** and **\$2,000 in total**;
- reimbursement of your **other expenses** is limited to your **insurance amount** (see Table of Coverage);
- we consider travel vouchers issued by the *travel service supplier* to be a reimbursement.

1 If you have to **completely cancel your trip or cruise** due to one of the recognized causes.

We will reimburse the non-refundable fees you paid in advance to a *travel service supplier* on the date the cause for cancellation occurs.

Tip: Cancel your trip as soon as you can!

As soon as the cause of the trip cancellation occurs or you suspect that you may not be able to travel, be sure to cancel your trip, as only the expenses that were non-refundable **at the time the cause of cancellation occurred** are eligible for reimbursement. The longer you wait, the less will be covered, as fewer expenses will be reimbursed by the *travel service supplier*.

2 If your *travelling companion* has to **completely cancel their trip** due to one of the recognized causes and you decide to still proceed with your trip.

We will reimburse the additional expenses incurred due to the absence of your *travelling companion* (for example: additional charge for hotel room).

3 If you **miss your departure or it is delayed** due to one of the recognized causes.

We will reimburse:

- a) The *living expenses* you incur.
- b) The additional cost for changing the date or time of the ticket you purchased with your *credit card* from a scheduled carrier (*plane, boat, train, bus*). The new ticket must be a one-way economy ticket and be used to get you to the planned destination by the most direct route.
- c) The unused and non-refundable portion of the costs you paid in advance to a *travel service supplier* for land arrangements.

4 If you have to **return early or later than planned** due to one of the recognized causes.

We will reimburse:

- a) The *living expenses* you incur.
- b) The additional cost for changing the date or time of the ticket you purchased with your *credit card* from a scheduled carrier (*plane, boat, train, bus*). The new ticket must be a one-way economy ticket and be used to return to your point of departure by the most direct route.

If you have to return later than planned:

If an *illness* or *accident* delays your return by more than 7 days after the scheduled return date, we will only reimburse the additional cost of the return ticket if you or your *travelling companion* were hospitalized. In this case, we require proof of hospitalization.

- c) The unused and non-refundable portion of the costs you paid in advance to a *travel service supplier* for land arrangements.

5 If you **miss a part of your trip** because:

- a *travelling companion* dies during the trip.

We will reimburse:

- a) The *living expenses* you incur.
- b) If you missed a transportation you were supposed to take: the additional cost for changing the date or time of the ticket you purchased with your *credit card* from a scheduled carrier (*plane, boat, train, bus*). The new ticket must be a one-way economy ticket and be used to get you to the planned destination by the most direct route.

Important – Exclusions and limitations

Exclusions

Exclusion for unstable injuries or medical conditions

Did you have an injury or medical condition before the insurance start date of the Emergency Health Care or Trip Cancellation coverage? Has this injury or medical condition been unstable in the months prior to this time?

- You are not covered if you incur expenses for this reason, even if you declared it on the medical questionnaire or if a *physician* told you you could travel. Travel insurance only covers you for unforeseen events.
- How to determine the “insurance start date”?
 - For the Emergency Health Care coverage, the insurance start date is your departure date.
 - For the Trip Cancellation coverage, the insurance start date is the date of the initial payment (partial or total) of the cost of the trip using your *credit card*.

- To determine if an injury or medical condition has been unstable:

Answer the questions in the box below for EACH injury or medical condition and for EACH trip.

- For the Emergency Health Care coverage:
 - were you under age 55 on the insurance start date? Answer for the 3-month reference period;
 - were you age 55 or older on the insurance start date? Answer for the 6-month reference period.
- For the Trip Cancellation coverage: answer for the 3-month reference period.

During the 3 months/6 months prior to the insurance start date, did you have an injury or medical condition for which:

- 1) you had new symptoms or the existing symptoms were more frequent or more intense?
- 2) you consulted a *physician* (except for a routine check-up)?
- 3) a *physician* recommended that you undergo a test, you underwent a test or you are waiting for the results?
- 4) you had surgery, were hospitalized or a *physician* recommended that you have surgery?
- 5) you started a new treatment, including a new drug, or a new treatment was prescribed?
- 6) you had a change in treatment or medication (quantity, frequency or the medication itself) or this change was prescribed?

We do not consider a routine adjustment to insulin or Coumadin, or the replacement of a brand-name drug for an identical generic drug if the dose is the same, to be a change of medication.

**Did you answer YES to any
of these 6 questions?**

**Your injury or medical condition has
therefore been unstable in the months
prior to the insurance start date.**

We will not pay any expenses for this injury or medical condition or for any related injury or medical condition.

Exception: Is your medical condition a cold, flu, ear infection, sinus infection, sore throat or tonsillitis? You are covered for this medical condition:

Limitations

➤ Emergency Health Care coverage

Penalty if you don't contact the Assistance Service before going to a *hospital* or a *clinic*

If the obligation to contact the Assistance Service described on page 9 is not satisfied, you'll be required to pay 30% of the covered costs, up to \$3,000.

➤ Common Carrier Accident coverage

If you sustain more than one loss as the result of an *accident*, we will pay only the highest amount from among the losses sustained.

The total amount that we will pay further to one *accident* is limited to \$10,000,000 for all Common Carrier Accident coverages issued by us under credit card programs.

➤ Trip Cancellation coverage

In case of default of a *travel service supplier*, the maximum amount we will reimburse is limited to \$2,500 per *insured*, per trip, and \$500,000 for all individual Travel Insurance contracts issued by us.

Modifying your contract

You can modify your contract by contacting us at 1-800-463-1623.

- If you modify your contract for all your trips, we will send you insurance documents that explain the applicable conditions.
- If you modify your contract for a specific trip, the following conditions will apply.

Please note that the exclusion for unstable injuries or medical conditions may apply if you extend your coverage or increase the insurance amount under a coverage (see page 28).

Extensions, increases or additions

1 If you extend your trip

The Emergency Health Care coverage must cover the entire duration of each trip you take. Therefore, if you decide to extend a trip beyond the number of days included with your *credit card*, you must also extend this coverage. Otherwise, you will **not be covered** under the **Emergency Health Care coverage for your trip.**

You are only insured under **Baggage** coverage for the number of days indicated in the Table of Coverage. If the duration of a trip exceeds this number of days, you can apply to extend this coverage.

Here's how to extend these coverages:

- request that we extend the coverages and pay the required premium before the coverages end;
- request that we extend the coverages for **all** the days added to your trip;
- for the **Emergency Health Care** coverage:
 - if we require it, you must answer a medical questionnaire; we may refuse to extend your coverage due to your state of health or decide to not cover certain health problems;
 - you must be covered under a government health and hospitalization insurance plan for the entire duration of your trip, including any added days.

We will then send you a document entitled “Your insurance choices,” which will indicate the new end date of the coverage(s) in question.

2 To increase the insurance amount under a coverage

You can increase the insurance amount under the **Trip Cancellation** and **Baggage** coverages for a specific trip.

Here’s how:

- request that we increase it and pay the required premium before leaving your *province of residence*;
- for the **Trip Cancellation** coverage: if we require it, you must answer a medical questionnaire; we may refuse to increase the insurance amount due to your state of health.

We will then send you a document entitled “Your insurance choices,” which will indicate the change made to your contract.

3 To add a coverage

You can request that we add a coverage to your contract for a specific trip. We will then send you a document entitled “Your insurance choices,” which will indicate the change made to your contract.

How the premium (cost) for changes made to your contract is calculated

The premium is determined based on the following information:

- a) the age of the *insureds* in question on the start date of the coverages;
- b) the coverages and amounts selected;
- c) the additional number of days needed to cover the entire duration of the trip;
- d) the health of the *insureds* if they belong to certain age groups.

The premium also includes any applicable taxes.

Payment of the premium

When you request a modification to your contract, you authorize us to collect the premium for it to take effect. The premium will be withdrawn from a chequing account or charged to a credit card. The premium is payable in a lump sum and must be paid at the time the request is made for the modification to take effect.

10-day period to cancel a modification to your contract

If you modify your contract, you have 10 days from the date you requested the modification to cancel it. The cancellation will apply retroactive to its effective date, which is indicated in the document entitled "Your insurance choices."

To cancel your insurance, you will need to:

- call us at 1-800-463-1623 and choose option 4; or
- fill out the Notice of cancellation of an insurance contract (see page 54) and send it to us by registered mail.

Cancellation of a modification to your contract

- If you cancel a modification within 10 days following your request:

We will refund any premium paid, except:

- a) for the premium for the **Trip Cancellation** coverage only: if you requested the increase in the insurance amount 11 days or less before your departure date;
- b) if your departure and return date fall within 10 days following the date you requested the modification; or
- c) if you made a claim relating your trip.

- If you cancel the modification before your departure but more than 10 days after your request:

We will refund the premium paid for any modification other than for the **Trip Cancellation** coverage.

- If you cancel the modification after your departure but before the scheduled end date due to an early return:

We will refund the premium for the unused coverage period of any modification other than for the **Trip Cancellation** coverage, except:

- if you made a claim relating to your trip;
- if you paid a family premium and not all the *insureds* are returning early.

We will then deduct cancellation fees from the amount of your refund. We calculate the unused coverage period as of the date we receive your request.

Free automatic extension

We will automatically extend your coverage free of charge if your return is delayed for any of the following reasons:

- a) if the *common carrier vehicle* in which you are travelling as a paying passenger is delayed or if the vehicle in which you are travelling is delayed due to a traffic accident or mechanical breakdown.

Duration of the coverage extensions: up to 72 hours after they were scheduled to end.

- b) if, due to an *illness* or injury suffered by you or a *travelling companion*:

- you are hospitalized or are entitled to *living expenses*; or

- your *travelling companion* is hospitalized.

Duration of the coverage extensions:
up to 72 hours after the later of the
following:

- the end of the *living expense* payment period (maximum 10 days);
- the end of the hospitalization period, where applicable.

In all the situations indicated in a) and b), the **Trip Cancellation** and **Common Carrier Accident** coverages will be extended until the date you return to your *province of residence*.

For Baggage coverage:

If you checked your baggage with a *common carrier* and the delivery is delayed, we will extend the **Baggage** coverage free of charge until the *common carrier* delivers your bags.

For the **Trip Cancellation** coverage, you must, depending on the case, provide one or more of the following supporting documents:

- a) the unused transportation tickets;
- b) the official receipts for the additional transportation costs incurred;
- c) the receipts for the land arrangements (hotel reservations, car rental, etc.) or the cruise fees. The receipts must include the contracts that were officially issued through a *travel service supplier* and indicate the non-refundable amounts in the event of cancellation;

you must provide a medical certificate from the attending *physician* practising in the region where the *accident* or *illness* occurred. Please note that if you want to appeal our decision in court, you must do so within the time limit provided for by law. This time limit is **3 years in Quebec. It may be shorter in other provinces.** To find out the time limit, please refer to the applicable legislation in your *province of residence*.

For more information about your rights, contact the regulatory agency in your *province of residence*.

Payment of your claim

Person to whom we make the payment

We will pay any amount payable to the *cardholder*.

However, for the **Common Carrier Accident** coverage, we will pay any amount payable in case of death to the *cardholder*, or to their legal heirs if they are deceased. For an accidental loss of use, we will pay all amounts to the *cardholder* if they are of the age of majority, otherwise to their legal guardian.

As the individuals to whom we will pay all amounts owing are already determined, you cannot designate anyone else.

Payment method

We will pay all amounts by direct deposit (you must provide a void cheque) or by cheque.

Currency

Unless otherwise indicated, all amounts payable specified in this contract are expressed in Canadian dollars. As needed, we will determine the amount payable using the prevailing exchange rate on the date of payment.

Situations in which we will not pay any amount

We will not pay any amount:

- 1) if the person for whom you are requesting a payment, or their legal representative, does not authorize us to collect the personal information needed to examine the claim;
- 2) if your claim relates to a coverage that was modified or added to your contract and we have refunded part or all of the premium for this coverage before receiving your claim.

Division of expense reimbursements

In accordance with insurance rules, a person can never be reimbursed for more than the expenses they paid, even if they are covered under more than one insurance contract or plan.

If you make a claim for expenses that are also covered under another insurance (private or public), we are the "last payer." In other words, we will only reimburse the portion of expenses that are not reimbursable under this other insurance. However, if this other insurance also states that it is the last payer or if it includes a coordination of benefits clause, the reimbursement will be divided between it and this travel insurance contract, based on the amounts that should have been paid by each.

Assignment of your right of recourse in the event of a claim (right of subrogation)

In the event of a claim due to damage caused by a third party, you assign us your right to sue this third party and any other right that you may have against them. We will exercise this recourse on your behalf and at our expense, up to an amount equal to what we paid you for the damage in question.

Excerpt from Quebec's Act Respecting the Distribution of Financial Products and Services

439. A distributor may not subordinate the making of a contract to the making of an insurance contract with the insurer specified by the distributor.

The distributor may not exercise undue pressure on the client or use fraudulent tactics to induce the client to purchase a financial product or service.

440. A distributor that, at the time a contract is made, causes the client to make an insurance contract must give the client a notice, drafted in the manner prescribed by regulation of the Authority, stating that the client may rescind the insurance contract within 10 days of signing it.

441. A client may rescind an insurance contract made at the same time as another contract, within 10 days of signing it, by sending notice by registered or certified mail.

Where such an insurance contract is rescinded, the first contract retains all its effects.

442. No contract may contain provisions allowing its amendment in the event of rescission or cancellation by the client of an insurance contract made at the same time.

However, a contract may provide that the rescission or cancellation of the insurance contract will entail, for the remainder of the term, the loss of the favourable conditions extended because more than one contract was made at the same time.

443. A distributor that offers financing for the purchase of goods or services and that requires the debtor to subscribe for insurance to guarantee the reimbursement of the loan must give the debtor a notice,

drawn up in the manner prescribed by regulation of the Authority, stating that the debtor may subscribe for insurance with the insurer and representative of the debtor's choice provided that the insurance is considered satisfactory by the creditor, who may not refuse it without reasonable grounds. The distributor may not subordinate the making of the contract of credit to the making of an insurance contract with the insurer specified by the distributor.

No contract of credit may stipulate that it is made subject to the condition that the insurance contract subscribed with such an insurer remains in force until the expiry of the term, or subject to the condition that the expiry of such an insurance contract will entail forfeiture of term or the reduction of the debtor's rights.

The rights of the debtor under the contract of credit shall not be forfeited when the debtor rescinds, cancels or withdraws from the insurance contract, provided that the debtor has subscribed for insurance with another insurer that is considered satisfactory by the creditor, who may not refuse it without reasonable grounds.
