## Introduction

### What's the purpose of this guide?

This guide describes the travel insurance included with your *credit card* so you can decide for yourself whether it meets your needs, considering that you are not in the presence of an insurance representative.

## Product description

### Nature of coverage

#### What is the purpose of the travel insurance included with your *credit card*?

This insurance provides financial protection against **sudden and unforeseen** events that could occur while travelling.

Your contract therefore includes certain exclusions relating to some activities or illnesses among other things. For example, you may not be covered while practicing dangerous sports or for health problems or symptoms that you had before leaving on your trip.

We recommend that you read the exclusions and limitations section of this guide so you understand your coverage

(see pages 29 to 35). 

#### When are you covered under this insurance?

This insurance covers you for trips outside your *province of residence* of a duration equal to or less than the number of days of insurance included indicated in the Table of Coverage.

Please note that the **Common Carrier Accident** and **Trip Cancellation** coverages also cover you for trips inside your *province of residence*.

#### How are the insurance amounts and maximums applied?

All the amounts apply per *insured*, per trip, unless otherwise indicated.

#### What is the effective date of the contract?

The Odyssey Gold, Travel Gold and Odyssey World Elite travel insurance contract takes effect on May 15, 2016 and replaces all other Odyssey Gold and Travel Gold travel insurance contracts. The terms and conditions described in this guide apply to any coverage that begins as of May 15, 2016.

## Who is covered under this insurance (eligibility)?

To be covered under the travel insurance included with your *credit card*:

- a) you must be a *Canadian resident* and at least 15 days old;
- b) you must, on the departure date, be younger than or the maximum age indicated in the Table of Coverage;
- c) you must have activated your *credit card* prior to departure;
- d) your privileges as a *cardholder* must not have been suspended;
- e) your *credit card* account must not be in arrears for more than 90 days;
- f) your trip must begin and end in Canada, in your *province of residence*;
- g) the destination of your trip must be outside your *province of residence*, except for the **Trip Cancellation and Common Carrier Accident** coverages.

This travel insurance also covers your *spouse* and your *dependent children* if they accompany you throughout their trip.

For the **Emergency Health Care** coverage, you, your *spouse* and your *dependent children* must be insured under the hospitalization insurance plan in your *province of residence* for the entire duration of the trip. You are responsible for ensuring that you have this government insurance.

### **For a child that is born on the trip to be covered**

A child born during a trip is automatically insured under the **Emergency Health Care** coverage if the mother is insured under this coverage and expenses for delivery are not excluded (see the exclusions for this coverage).

## Description of the coverages

### 1. Emergency Health Care coverage

#### Important note!

**Emergency Health Care only** covers you for trips whose duration is equal to or less than the number of days indicated in the Table of Coverage. If the duration of your trip exceeds the number of days indicated, you **must** ask us to extend your coverage. Otherwise, you will **not be covered** under the **Emergency Health Care coverage for your trip**. Your extended coverage must cover the entire duration of your trip, but you will pay only for the days of coverage not included under this insurance. The departure and return date count as full days when calculating the duration of the trip.

- We cover the **expenses outlined on pages 18 to 21, if incurred outside your province of residence**, in the event that:
  - you suddenly and unexpectedly become ill or have an *accident* on your trip; **and**
  - you require emergency medical care or services.
- These expenses are covered:
  - up to the maximums indicated below, which, unless otherwise indicated, apply per *insured*, per trip;
  - up to an overall maximum of \$5,000,000 per *insured*, per trip;
  - up to the reasonable and customary amounts usually billed for such care or services in the region where they are received.
- **You must call the Assistance Service BEFORE going to a hospital or clinic** and follow their instructions. Otherwise, you will be required to pay 30% of the eligible expenses, up to a maximum of \$3,000.

If you are unable to call yourself (for example: you are unconscious), another person must call on your behalf within 24 hours following the *accident* or *illness*. If you are travelling alone, we recommend that you carry with you a copy of the telephone numbers to call in case of emergency.
- We are not responsible for the availability or quality of the care and services received.
- This insurance also covers your *spouse* and your *dependent children* if they accompany you throughout their trip.

  - you are involved in an *accident* while in a situation covered under this coverage; **and**

### **In case of disappearance**

In case of the disappearance of an *insured* following an *accident*, we will presume that this person is deceased:

## Important – Exclusions and limitations

### Exclusions

#### **Exclusion for unstable injuries or medical conditions**

**Did you have an injury or medical condition before the insurance start date of the Emergency Health Care or Trip Cancellation coverage? Has this injury or medical condition been unstable in the months prior to this time?**

- You are not covered if you incur expenses for this reason, even if you declared it on the medical questionnaire or if a *physician* told you you could travel. Travel insurance only covers you for unforeseen events.
- How to determine the "insurance start date"?
  - For the Emergency Health Care coverage, the insurance start date is your departure date.
  - For the Trip Cancellation coverage, the insurance start date is the date of the initial payment (partial or total) of the cost of the trip using your *credit card*.
- To determine if an injury or medical condition has been unstable:

**Answer the questions in the box below for EACH injury or medical condition and for EACH trip.**

- For the Emergency Health Care coverage:
  - were you under age 55 on the insurance start date?  
Answer for the 3-month reference period;
  - were you age 55 or older on the insurance start date?  
Answer for the 6-month reference period.
- For the Trip Cancellation coverage: answer for the 3-month reference period.

During the 3 months/6 months prior to the insurance start date, did you have an injury or medical condition for which:

- 1) you had new symptoms or the existing symptoms were more frequent or more intense?
- 2) you consulted a *physician* (except for a routine check-up)?
- 3) a *physician* recommended that you undergo a test, you underwent a test or you are waiting for the results?
- 4) you had surgery, were hospitalized or a *physician* recommended that you have surgery?
- 5) you started a new treatment, including a new drug, or a new treatment was prescribed?
- 6) you had a change in treatment or medication (quantity, frequency or the medication itself) or this change was prescribed?

We do not consider a routine adjustment to insulin or Coumadin, or the replacement of a brand-name drug for an identical generic drug if the dose is the same, to be a change of medication.

**Did you answer YES to any of these 6 questions?**

Your injury or medical condition has therefore been unstable in the months prior to the insurance start date.

We will not pay any expenses for this injury or medical condition or for any related injury or medical condition.

Exception: Is your medical condition a cold, flu, ear infection, sinus infection, sore throat or tonsillitis? You are covered for this medical condition:

- If you have recovered for at least 30 consecutive days on the insurance start date; AND
- If this medical condition is not a chronic illness or a complication of a chronic illness.

- In the case where coverage has been extended or an insurance amount has been increased
- If you extend the Emergency Health Care coverage after your departure:  
The exclusion for unstable injuries or medical conditions applies again based on your age and state of health on the effective date of the extension.
  - If you increase the insurance amount of the Trip Cancellation coverage:  
The exclusion for unstable injuries or medical conditions applies to the amount of the increase based on your state of health on the date you apply for the increase.

 **Other exclusions**

We will not pay any amount in the following cases. The X's indicate the coverages to which each exclusion applies.

## Limitations

### ➤ Emergency Health Care coverage

Penalty if you don't contact the Assistance Service before going to a *hospital* or a *clinic*

If the obligation to contact the Assistance Service described on page 17 is not satisfied, you'll be required to pay 30% of the covered costs, up to \$3,000.

### ➤ Common Carrier Accident coverage

If you sustain more than one loss as the result of an *accident*, we will pay only the highest amount from among the losses sustained.

The total amount that we will pay further to one *accident* is limited to \$10,000,000 for all Common Carrier Accident coverages issued by us under credit card programs.

### ➤ Trip Cancellation coverage

In case of default of a *travel service supplier*, the maximum amount we will reimburse is limited to \$2,500 per *insured*, per trip, and \$500,000 for all individual Travel Insurance contracts issued by us.

## Modifying your contract

You can modify your contract by contacting us at 1-800-463-1623.

- if you modify your contract for all your trips, we will send you insurance documents that explain the applicable conditions.
- If you modify your contract for a specific trip, the following conditions will apply.

Please note that the exclusion for unstable injuries or medical conditions may apply if you extend your coverage or increase the insurance amount under a coverage (see page 31).

### Extensions, increases or additions

#### **1** If you extend your trip

The Emergency Health Care coverage must cover the entire duration of each trip you take. Therefore, if you decide to extend a trip beyond the number of days included with your *credit card*, you must also extend this coverage. Otherwise, you will **not be covered** under the Emergency Health Care coverage for your trip.

You are only insured under **Baggage** coverage for the number of days indicated in the Table of Coverage. If the duration of a trip exceeds this number of days, you can apply to extend this coverage.

Here's how to extend these coverages:

- request that we extend the coverages and pay the required premium before the coverages end;
- request that we extend the coverages for **all** the days added to your trip;
- for the **Emergency Health Care** coverage:
  - if we require it, you must answer a medical questionnaire; we may refuse to extend your coverage due to your state of health or decide to not cover certain health problems;
  - you must be covered under a government health and hospitalization insurance plan for the entire duration of your trip, including any added days.

We will then send you a document entitled "Your insurance choices," which will indicate the new end date of the coverage(s) in question.

## **2 To increase the insurance amount under a coverage**

You can increase the insurance amount under the **Trip Cancellation** and **Baggage** coverages for a specific trip.

Here's how:

- request that we increase it and pay the required premium before leaving your *province of residence*;
- for the **Trip Cancellation** coverage: if we require it, you must answer a medical questionnaire; we may refuse to increase the insurance amount due to your state of health.

We will then send you a document entitled "Your insurance choices," which will indicate the change made to your contract.

## **3 To add a coverage**

You can request that we add a coverage to your contract for a specific trip. We will then send you a document entitled "Your insurance choices," which will indicate the change made to your contract.

## How the premium (cost) for changes made to your contract is calculated

The premium is determined based on the following information:

- a) the age of the *insureds* in question on the start date of the coverages;
- b) the coverages and amounts selected;
- c) the additional number of days needed to cover the entire duration of the trip;
- d) the health of the *insureds* if they belong to certain age groups.

The premium also includes any applicable taxes.

## Payment of the premium

When you request a modification to your contract, you authorize us to collect the premium for it to take effect. The premium will be withdrawn from a chequing account or charged to a credit card. The premium is payable in a lump sum and must be paid at the time the request is made for the modification to take effect.

## 10-day period to cancel a modification to your contract

If you modify your contract, you have 10 days from the date you requested the modification to cancel it. The cancellation will apply retroactive to its effective date, which is indicated in the document entitled "Your insurance choices."

## Cancellation of a modification to your contract

- If you cancel a modification within 10 days following your request:

We will refund any premium paid, except:

- a) for the premium for the **Trip Cancellation** coverage only: if you requested the increase in the insurance amount 10 days or less before your departure date;
  - b) if your departure and return date fall within 10 days following the date you requested the modification; or
  - c) if you made a claim relating your trip.
- If you cancel the modification before your departure but more than 10 days after your request:

We will refund the premium paid for any modification other than for the **Trip Cancellation** coverage, except if you have made a claim relating to your trip.

- If you cancel the modification after your departure but before the scheduled end date due to an early return:

We will refund the premium for the unused coverage period of any modification other than for the **Trip Cancellation** coverage, except:

- if you made a claim relating to your trip;
- if you paid a family premium and not all the *insureds* are returning early.

We will then deduct cancellation fees from the amount of your refund. We calculate the unused coverage period as of the date we receive your request. You must submit your request at the latest two weeks after your early return.

### Free automatic extension

We will automatically extend your coverage free of charge if your return is delayed for any of the following reasons:

- a) if the *common carrier vehicle* in which you are travelling as a paying passenger is delayed or if the vehicle in which you are travelling is delayed due to a traffic accident or mechanical breakdown.

Duration of the coverage extensions: up to 72 hours after they were scheduled to end.

- b) if you or a *travelling companion* are hospitalized or are entitled to *living expenses* because you had an *accident* or suffer from an *illness*.

Duration of the coverage extensions: up to 72 hours after the later of the following:

- the end of the *living expense* payment period (maximum 10 days);
- the end of the hospitalization period, where applicable.

In all the situations indicated in a) and b), the **Trip Cancellation** and **Common Carrier Accident** coverages will be extended until the date you return to your *province of residence*.

### For Baggage coverage:

If you checked your baggage with a *common carrier* and the delivery is delayed, we will extend the **Baggage** coverage free of charge until the *common carrier* delivers your bags.

Please note that if you want to appeal our decision in court, you must do so within the time limit provided for by law. This time limit is **3 years in Quebec. It may be shorter in other provinces.** To find out the time limit, please refer to the applicable legislation in your *province of residence*.

For more information about your rights, contact the regulatory agency in your *province of residence*.

## Payment of your claim

### Person to whom we make the payment

We will pay any amount payable to the *cardholder*.

However, for the **Common Carrier Accident** coverage, we will pay any amount payable in case of death to the *cardholder*, or to their legal heirs if they are deceased. For an accidental loss of use, we will pay all amounts to the *cardholder* if they are of the age of majority, otherwise to their legal guardian.

As the individuals to whom we will pay all amounts owing are already determined, you cannot designate anyone else.

### Payment method

We will pay all amounts by direct deposit (you must provide a void cheque) or by cheque.

### Currency

Unless otherwise indicated, all amounts payable specified in this contract are expressed in Canadian dollars. As needed, we will determine the amount payable using the prevailing exchange rate on the date of payment.

## Situations in which we will not pay any amount

We will not pay any amount:

- 1) if the person for whom you are requesting a payment, or their legal representative, does not authorize us to collect the personal information needed to examine the claim;
- 2) if your claim relates to a coverage that was modified or added to your contract and we have refunded part or all of the premium for this coverage before receiving your claim.

## Division of expense reimbursements

In accordance with insurance rules, a person can never be reimbursed for more than the expenses they paid, even if they are covered under more than one insurance contract or plan.

If you make a claim for expenses that are also covered under another insurance (private or public), we are the “last payer.” In other words, we will only reimburse the portion of expenses that are not reimbursable under this other insurance. However, if this other insurance also states that it is the last payer or if it includes a coordination of benefits clause, the reimbursement will be divided between it and this travel insurance contract, based on the amounts that should have been paid by each.

## Assignment of your right of recourse in the event of a claim (right of subrogation)

In the event of a claim due to damage caused by a third party, you assign us your right to sue this third party and any other right that you may have against them. We will exercise this recourse on your behalf and at our expense, up to an amount equal to what we paid you for the damage in question.

## CERTIFICATE OF INSURANCE

### AUTO RENTAL COLLISION/LOSS DAMAGE INSURANCE

#### ABOUT YOUR INSURANCE

This Certificate of Insurance contains information about Your insurance. Please read it carefully and keep it in a safe place. You should carry this Certificate with You when You travel.

This Certificate of Insurance takes effect as of the Effective Date shown in the **Definitions** section, and applies to all eligible Desjardins Credit Card Cardholders.

This insurance is provided by American Bankers Insurance Company of Florida (hereinafter referred to as the "**Insurer**") under Group Policy number DCS0514 (hereinafter referred to as the "**Policy**") issued by the Insurer to Fédération des caisses Desjardins du Québec (hereinafter referred to as the "**Policyholder**"). **The Insurer and its affiliates carry on business in Canada under the name of Assurant Solutions.**

The terms, conditions and provisions of the Policy are summarized in this Certificate of Insurance, which is incorporated into and forms part of the Policy. All benefits are subject in every respect to the Policy, which alone constitutes the agreement under which benefits will be provided. Refer to the **Definitions** section at the end of this Certificate of Insurance or to the applicable description of benefits and the paragraph above for the meanings of all capitalized terms.

For details on how to file Your claim, please refer to the **How to Claim** section. Keep the original receipts and other documents described herein to present them at time of claim.

#### HELPFUL INFORMATION

- In order to be covered for loss/damage up to the actual value of the damaged or stolen rental vehicle under this Auto Rental Collision/Loss Damage (CLD) Insurance Certificate, you **MUST** decline the Rental Agency's Collision Damage Waiver (CDW) or an equivalent coverage offering (see **Know Before You Go** section below). If You choose to purchase the Rental Agency's CDW option or similar coverage offered by the Rental Agency on the rental contract, or where such insurance is required by law, this Certificate of Insurance will only cover You for loss/damage up to the amount of the deductible stipulated in the Rental Agency's CDW or similar provision.
- This Certificate of Insurance does **not** provide third party liability coverage. Check with Your personal automobile insurer and the Rental Agency to ensure that You and all other drivers have adequate third party liability, personal injury and damage to property coverage.
- This Certificate of Insurance provides coverage for theft or damage to your rental vehicle. Coverage is available on a 24-hour basis unless precluded by law or the coverage is in violation of the terms of the rental contract in the jurisdiction in which it was formed (other than under section **Limitations and Exclusions**, # 7 a, b or c).
- The length of time You rent the same vehicle must not exceed **48 consecutive days**. In order to break the consecutive day cycle, a full calendar day must elapse between rental periods. If the rental period exceeds 48 consecutive days, there will be no coverage for that rental period i.e., coverage will not be provided for either the first 48 consecutive days or any subsequent days. Coverage may not be extended for more than 48 days by renewing or taking out a new rental agreement with the same or another Rental Agency for the same vehicle or another vehicle.
- Coverage is available except where prohibited by law and applies to the Insured Person's personal and business use of the rental vehicle.
- Check the rental vehicle carefully for scratches or dents before and after You drive the vehicle. Be sure to point out where the scratches or dents are located to a Rental Agency representative. During the rental period, if the vehicle has sustained damage of any kind, call **1-888-409-4442** if You are in Canada or the United States or call collect **613-634-4993** immediately.
- Do not sign a blank sales draft to cover the damage and Loss of Use charges or a sales draft with an estimated cost of repair and Loss of Use charges. The rental agency may make a claim on Your behalf to recover repair and Loss of Use charges by following the procedures outlined in the section **How to Claim**.
- Claims must be reported within 48 hours of the date of loss by calling the numbers provided above.

#### KNOW BEFORE YOU GO

Before You rent a vehicle, find out if You are required to provide a deposit if You wish to decline the Rental Agency's CDW. If possible, select a Rental Agency that allows You to decline the CDW without having to make a deposit. Rental Agencies in some countries may resist Your declining their CDW coverage. These Rental Agencies may try to encourage You to take their coverage or to provide a deposit. You will not be compensated for any payment You may have made to obtain the Rental Agency's CDW.

If You experience difficulty using this Auto Rental CLD Insurance, please call toll free **1-888-409-4442** if You are in Canada or the United States or call collect **613-634-4993**. The Rental Agency will then be contacted and acquainted with this Auto Rental CLD Insurance.

## ELIGIBILITY

You are eligible for Auto Rental CLD Insurance when You rent most private passenger vehicles for a period NOT to exceed 48 consecutive days, provided that:

1. You initiate the rental transaction by booking or reserving the vehicle rental with Your Desjardins Credit Card and by providing the same Desjardins Credit Card as payment guarantee prior to the time You take possession of the vehicle;
2. You rent the vehicle in Your name and charge the full cost of the rental vehicle to Your Desjardins Credit Card; and
3. You decline the Rental Agency's CDW option or similar coverage offered by the Rental Agency on the rental contract. If there is no space on the vehicle rental contract for You to indicate that You have declined the coverage, then indicate in writing on the contract "I decline CDW provided by this merchant". However, if You decide to purchase the Rental Agency's CDW option or similar coverage offered by the Rental Agency on the rental contract, or the Rental Agency's CDW coverage is included in the price of the vehicle rental (in certain locations, the law requires that rental agencies provide CDW coverage in the price of the vehicle rental), then the coverage provided under this Certificate of Insurance will be limited (see **Benefits** section).

## COVERAGE PERIOD

Coverage begins as soon as You take control of the rental vehicle, and ends at the earliest of:

1. the time the Rental Agency assumes control of the rental vehicle, whether it be at its place of business or elsewhere;
2. the date the insurance terminates as outlined under section **Termination of Insurance**.

## BENEFITS

If You decline the Rental Agency's CDW option or similar coverage offered by the Rental Agency on the rental contract, then this Auto Rental CLD Insurance is **primary insurance**. This means it covers You and/or a Rental Agency for loss/damage up to the actual value of the damaged or stolen rental vehicle, as well as valid Loss of Use charges resulting from damage or theft occurring subject to the terms and conditions in this Certificate.

If You decide to purchase the Rental Agency's CDW option or similar coverage offered by the Rental Agency on the rental contract or the Rental Agency's CDW coverage is included in the price of the vehicle rental, then this Auto Rental CLD Insurance is **secondary insurance**. This means it covers You and/or Rental Agency for loss/damage up to the deductible stipulated in the Rental Agency's CDW or similar provision, subject to the terms and conditions in this Certificate.

Benefits are limited to one rental vehicle at a time, i.e., if during the same period there is more than one vehicle rented by the Cardholder, only the first rental will be eligible for these benefits.

### The following types of rental vehicles are covered:

All cars, sport utility vehicles, and Mini-Vans (defined as vans made by an automobile manufacturer and classified by the manufacturer or a government authority as Mini-Vans made to transport a maximum of eight people including the driver and which are used exclusively for the transportation of passengers and their luggage) except those listed in the section **Types of Rental Vehicles Not Covered**.

Also,

- Rental vehicles which are part of prepaid travel packages are also covered if the total package was paid with Your Desjardins Credit Card.
- You are covered if You receive a "free rental" as a result of a promotion where You have had to make previous vehicle rentals and if each such previous rental was entirely paid for with Your Desjardins Credit Card.

## TYPES OF RENTAL VEHICLES NOT COVERED

Vehicles which belong to the following categories are NOT covered:

Refer to the **Definitions** section at the end of this Certificate of Insurance or to the applicable description of benefits and the paragraph above for the meanings of all capitalized terms. In no event shall a corporation, partnership or business entity be eligible for the insurance provided by this Certificate of Insurance.

For details on how to file Your claim, please refer to the **How to Claim** section. Keep the original receipts and other documents described herein to present them at time of claim.

#### ELIGIBILITY

You are eligible for Mobile Device Insurance when You purchase a new Mobile Device anywhere in the world on or after the Effective Date, provided that:

1. You charge the Purchase Price of the Mobile Device to Your Account. If the Mobile Device is equipped with cellular data technology, You must also activate Your Mobile Device with a Provider; or
2. You fund the Purchase Price of the Mobile Device through a Plan and charge all monthly wireless bill payments to Your Account for the duration of Your Plan.

#### COVERAGE PERIOD

Coverage takes effect on the later of:

1. 90 days from the date of purchase of Your Mobile Device; and
2. the date the second consecutive monthly wireless bill payment is charged to Your Account.

Coverage ends on the earliest of:

1. two years from the date of purchase;
2. the date ONE monthly wireless bill payment was not charged to Your Account, if You are funding the cost of Your Mobile Device through a Plan;
3. the date the Account is cancelled, closed or ceases to be in Good Standing;
4. the date the Cardholder ceases to be eligible for coverage; and
5. the date the Policy terminates.

#### BENEFITS

If a Mobile Device is lost, stolen or suffers a mechanical breakdown or Accidental Damage, **the Insurer will reimburse You the lesser of its repair or replacement cost, not exceeding the depreciated value<sup>1</sup> of Your Mobile Device at date of loss, less the deductible<sup>11</sup>, to a maximum of \$1,000, subject to the Limitations and Exclusions below.**

<sup>1</sup> The depreciated value of Your Mobile Device at date of loss is calculated by deducting from the Purchase Price of Your Mobile Device the depreciation rate of 2% for each completed month from the date of purchase.

<sup>11</sup> The amount of the deductible is based on the Purchase Price of Your Mobile Device less any applicable taxes, as determined from the following table:

## DEDUCTIBLE

PURCHASE PRICE (LESS TAXES)	APPLICABLE DEDUCTIBLE
\$0 - \$200	\$25
\$200.01 - \$400	\$50
\$400.01 - \$600	\$75
\$600.01 or more	\$100

**For example:** If You purchase a new Mobile Device for a Purchase Price of \$800 (\$700 + \$100 in applicable taxes) on May 1, and file a claim on January 21 of the following year, the maximum reimbursement will be calculated as follows:

### 1. Calculation of the depreciated value of Your Mobile Device:

Purchase Price	\$800
Less depreciation cost	- \$128 (2% X 8 months X \$800)
Depreciated value	\$672

### 2. Calculation of the maximum reimbursement:

Depreciated value	\$672
Less deductible	- \$100
Maximum reimbursement	\$572

In the event You file a valid repair claim and the total cost of repair is \$500, including applicable taxes, upon approval of Your claim, the maximum reimbursement available to You will be \$500.

In the event Your Mobile Device is lost or stolen and, upon approval of Your claim, You purchase a replacement Mobile Device for a price of \$800 including applicable taxes, the maximum reimbursement available to You will be \$572.

A replacement Mobile Device must be of the same make and model as the original Mobile Device, or in the event the same make and model is not available, of like kind and quality with comparable features and functionality as the original Mobile Device.

*All claims are subject to the terms, conditions, and Limitations and Exclusions set out in this Certificate of Insurance.*

## Payment of Benefits

On approval of Your claim by the Insurer, You can proceed with the repair or replacement of Your Mobile Device. Benefits payable under the Policy will be paid upon receipt of evidence that the repair or replacement cost has been charged to Your Account.

## LIMITATIONS AND EXCLUSIONS

This coverage complements but does not replace the manufacturer's warranty or warranty obligations.
