A Note about Forward-Looking Statements

This document may contain forward-looking statements regarding, among other things, Desjardins Group's business objectives and priorities, financial targets and maturity profile. By their very nature, such statements involve assumptions, uncertainties and inherent risks, both general and specific. A number of factors, many of which are beyond Desjardins Group's control and the effects of which can be difficult to predict, could influence the accuracy of the forward-looking statements in this document. These factors include, without limitation, credit, market, liquidity, strategic, operational, reputation and legal, regulatory and environmental risks. This list of factors is

not exhaustive and other factors could have an adverse effect on Desjardins Group's results and forward-looking statements. There can be no assurance as to the materialization of the results as expressed herein. Desjardins Group cautions readers against placing undue reliance on these forward-looking statements since actual results, conditions, actions and future events could differ significantly from those anticipated. Desjardins Group does not undertake to update any oral or written forward-looking statements that could be made from time to time by or on behalf of Desjardins Group, except as required under applicable securities legislation.
