We confirm that we agreed all financial information contained in the accompanying financial report of the Caisse for the year ended December 31, 2018 with the accounting records that include the Caisse’s specific accounting adjustments and were used to prepare the combined financial statements of the Desjardins caisses in Quebec for the year then ended, and we confirm that we found no exceptions.

## NOTE TO THE FINANCIAL REPORT (unaudited)

### NOTE 1 – TYPE OF OPERATIONS AND BASIS OF ACCOUNTING

The Caisse Desjardins du Vieux-Longueuil (the caisse) is a cooperative whose purpose is to accept and help grow the savings of its members, as well as to extend credit and provide other financial products and services to its members. Its mission also includes fostering cooperation and promoting economic, social and cooperative education. It is governed by the *Act Respecting Financial Services Cooperatives* (the Act).

The caisse is registered with the Autorité des marchés financiers (AMF) in Quebec. It is also a member of the Fonds de sécurité Desjardins, whose main purpose is to establish and administer a security, liquidity and mutual aid fund for the benefit of Desjardins caisses in Quebec.

The caisse is a member of the Fédération des caisses Desjardins du Québec (the Federation), which controls other components that together make up Desjardins Group.

This financial report has been prepared in accordance with the requirements set out in the Act. The caisse applies accounting policies similar to those used to prepare the combined financial statements for Desjardins caisses in Quebec, which are prepared in accordance with International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board. Some figures from the prior year were reclassified for consistency with the presentation of the current year's financial statements. This reclassification did not affect the caisse's surplus earnings or total assets and liabilities.
