IS THIS INVESTMENT RIGHT FOR ME?

This investment may be right for you if you:

- seek capital protection;
- wish to diversify your portfolio;
- have an investment horizon of 5 years or longer;
- don't plan to withdraw your investment prior to maturity;
- agree to forgo a guaranteed return to benefit from a higher potential return than that offered by term savings.

HOW DOES THIS SOLUTION DIFFER FROM CONVENTIONAL TERM SAVINGS?

This guaranteed investment differs from conventional term savings in that it does not provide a pre-determined return.

Return on the investment is based on the appreciation of the benchmark securities and can only be known at maturity. Return could be nil at maturity.

HOW ARE RETURNS CALCULATED?

Between the Up to the issue date, your investment generates interest at 0.75% per year.

Between the issue date and the maturity date, the return is determined as follows: Among the 20 securities in the basket, the 5 best-performing securities and the 5 weakest performance are excluded from the calculation.

The investment return is based on the average price change of the 10 retained securities, up to a maximum of 16.00% for investments of \$1,000 to \$24,999, 20.00% for investments of \$25,000 to \$249,999 and 30.00% for investments of \$250,000 or more.

To reduce the effect of a potential market pullback, we factor in the average of the monthly price readings during the last three months of the term.

This investment does not entitle the holder to dividend paid by the companies in the portfolio.

Investment returns are not affected by exchange rate fluctuations, even if the prices are denominated in foreign currencies.

For full details on how the return is calculated, please read the investment Agreement.

The guaranteed investment's return could be nil at maturity. Your capital is guaranteed at maturity.

HOW CAN I KEEP TRACK OF MY INVESTMENT'S PERFORMANCE?

Conversion/redemption value may be less than the invested capital and will not amount to the potential maximum at maturity.

The caisse reserves the exclusive right to determine the appropriate measures to be taken in such circumstances. For example, if trading is suspended, the caisse could choose to postpone the date at which the starting index value of the investment is taken into account.

WHAT IF I CHANGE MY MIND?

You have up to five business days after receiving your Investment Agreement, by mail or via AccèsD, to ask your advisor to cancel your investment.
