

Sur le Chemin du Roy

4th edition | A relay race for educational projects for young people

As part of Co-op Week, the entire Vice Presidency of Procurement and Administrative Services, in partnership with Desjardins Foundation, mobilized to raise \$170,748. This is unprecedented in the history of Sur le Chemin du Roy!

This 4th edition of the relay race was colorful! Good weather, bad weather, night and day, alone or with the family nearly 170 runners and walkers took turns to meet this challenge. Even our generous sponsors participated!

All together, the participants in the race managed to cover more than 1,300 km which is 4.8 times more the initial distance planned for Lévis-Montréal! Thanks to this dedication, nearly 60 schools in Quebec and Ontario will receive funding for educational projects.

Since its first edition in 2017, nearly \$300,000 has been raised and reinvested in the future and the education of our children.

A big thank you to our proud sponsors!
