Message on the evolution of the cooperative group

MAJOR PROJECTS TO BETTER SERVE OUR MEMBERS

Security and technology investments

In recent years, our desire to always do what's best for our members and clients has led to us investing in our digital shift, modernizing our tech ecosystem, and enhancing information security. As a result, there's a lot that's new and digital at Desjardins. You can now perform many more transactions independently, including mortgage preauthorization and renewal! The new, all-in-one Omni app allows you to log into your group insurance and pension savings accounts as well as submit claims. And we can't forget about the Desjardins virtual assistant who can assist you in both English and French which allows you to share your inquiries in your own words. It's simple, it's fast and it's easy!

These investments are responsible for an increase in the Desjardins Group's spending. They are also reflected in each entity's financial report that shows contributions to Desjardins Group components is higher this year as opposed to last year. This contribution is shown separately in the caisse's financial report: to highlight the investments that have been made and to allow for an assessment of the caisse's financial performance based on factors within its control. Thanks to these investments, we're not just maintaining the service we provide to our members and clients, we're improving it. It's important to note that our ability to pay member dividends is not affected by these investments. In short, these changes are helping us accomplish our strategic ambitions on top of continuing to serve you well.

Simplifying our financial structure

As a way of simplifying the caisse's financial structure, some shares that we held in the Federation have been redeemed (A, G, INV, SER) and converted (FIN-5A). Although there isn't any income from these shares in the caisse's financial report, these buybacks have bolstered the caisse's reserves, which further strengthens Desjardins Group's financial position. This financial transaction has no impact on the caisse's day-to-day activities nor on our ability to pay member dividends.

BUYING BACK PERMANENT SHARES AND SURPLUS SHARES

As members who held shares are aware, the caisse bought back all permanent shares and surplus shares in circulation in October 2022.

Agreed-upon procedures report of the financial report of the Caisse Desjardins des Technologies de l'information (the Caisse)

To the members of the *Fédération des caisses Desjardins du Québec*

As independent auditor of the combined financial statements of the Desjardins Group, we have been mandated by the members of the *Fédération des caisses Desjardins du Québec* to perform agreed-upon procedures on the financial report attached to the Caisse.

Purpose of this Agreed-Upon Procedures Report

Our report is solely for the purpose of assisting the members of the *Fédération des caisses Desjardins du Québec* to determine whether the information included in the financial report of the Caisse, considering the Caisse's specific accounting adjustments, is in line with the information used for the preparation of the combined financial statements of the Desjardins Group and it is possible that it cannot be used for another purpose. This report only covers the accounts and the items specified below in the financial report and does not cover the annual report.

Responsibilities of the Engaging Party

The *Fédération des caisses Desjardins du Québec* has acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement and also is responsible for the subject matter on which the agreed-upon procedures are performed.

Practitioner's Responsibilities

We have conducted the agreed-upon procedures engagement in accordance with the Canadian Standard on Related Services (CSRS) 4400, Agreed-Upon Procedures Engagements. An agreed-upon procedures engagement involves our performing the procedures that have been agreed with the *Fédération des caisses Desjardins du Québec* and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation regarding the appropriateness of the agreed-upon procedures.

This agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported.

Professional Ethics

We have complied with the relevant ethical and independence requirements in the rules of professional conduct/code of ethics issued by the various professional accounting bodies.

Procedures and Findings

We have performed the procedures described below, which were agreed upon with the *Fédération des caisses Desjardins du Québec* in the terms of engagement dated March 1, 2023 on the subject matter.

NOTES TO THE FINANCIAL REPORT (unaudited)

NOTE 1 – TYPE OF OPERATIONS AND BASIS OF ACCOUNTING

Caisse Desjardins des Technologies de l'information (the caisse) is a cooperative whose purpose is to accept and help grow the savings of its members, as well as to extend credit and provide other financial products and services to its members. Its mission also includes fostering cooperation and promoting economic, social and cooperative education. It is governed by the *Act Respecting Financial Services Cooperatives* (the Act).

The caisse is registered with the Autorité des marchés financiers (AMF) in Quebec. It is also a member of the Fonds de sécurité Desjardins, whose main purpose is to establish and administer a security, liquidity and mutual aid fund for the benefit of Desjardins caisses in Quebec.

The caisse is a member of the Fédération des caisses Desjardins du Québec (the Federation), which controls other components that together make up Desjardins Group.

This financial report has been prepared in accordance with the requirements set out in the Act. The caisse applies accounting policies similar to those used to prepare the Combined Financial Statements of the Desjardins Group, which are prepared in accordance with International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board. Some figures from the prior year were reclassified for consistency with the presentation of the current year's financial statements. This reclassification did not affect the caisse's surplus earnings or total assets and liabilities.
