Message on the evolution of the cooperative group

MAJOR PROJECTS TO BETTER SERVE OUR MEMBERS

Security and technology investments

In recent years, our desire to always do what's best for our members and clients has led to us investing in our digital shift, modernizing our tech ecosystem, and enhancing information security. As a result, there's a lot that's new and digital at Desjardins. You can now perform many more transactions independently, including mortgage preauthorization and renewal! The new, all-in-one Omni app allows you to log into your group insurance and pension savings accounts as well as submit claims. And we can't forget about the Desjardins virtual assistant who can assist you in both English and French which allows you to share your inquiries in your own words. It's simple, it's fast and it's easy!

These investments are responsible for an increase in the Desjardins Group's spending. They are also reflected in each entity's financial report that shows contributions to Desjardins Group components is higher this year as opposed to last year. This contribution is shown separately in the caisse's financial report: to highlight the investments that have been made and to allow for an assessment of the caisse's financial performance based on factors within its control. Thanks to these investments, we're not just maintaining the service we provide to our members and clients, we're improving it. It's important to note that our ability to pay member dividends is not affected by these investments. In short, these changes are helping us accomplish our strategic ambitions on top of continuing to serve you well.

Simplifying our financial structure

As a way of simplifying the caisse's financial structure, some shares that we held in the Federation have been redeemed (A, G, INV, SER) and converted (FIN-5A). Although there isn't any income from these shares in the caisse's financial report, these buybacks have bolstered the caisse's reserves, which further strengthens Desjardins Group's financial position. This financial transaction has no impact on the caisse's day-to-day activities nor on our ability to pay member dividends.

BUYING BACK PERMANENT SHARES AND SURPLUS SHARES

As members who held shares are aware, the caisse bought back all permanent shares and surplus shares in circulation in October 2022.

Its mission also includes fostering cooperation and promoting economic, social and cooperative education. It is governed by the *Act Respecting Financial Services Cooperatives* (the Act).

The *caisse* is registered with the Autorité des marchés financiers in Quebec. It is also a member of the Fonds de sécurité Desjardins, whose main purpose is to establish and administer a security, liquidity and mutual aid fund for the benefit of Desjardins caisses in Quebec.

This reclassification did not affect the *caisse*'s surplus earnings or total assets and liabilities.
